Make sure he wears that ring on the finger you shop for.

Place the ring over each circle until you find a perfect match.

The circle should fit perfectly inside.

Check again for accuracy

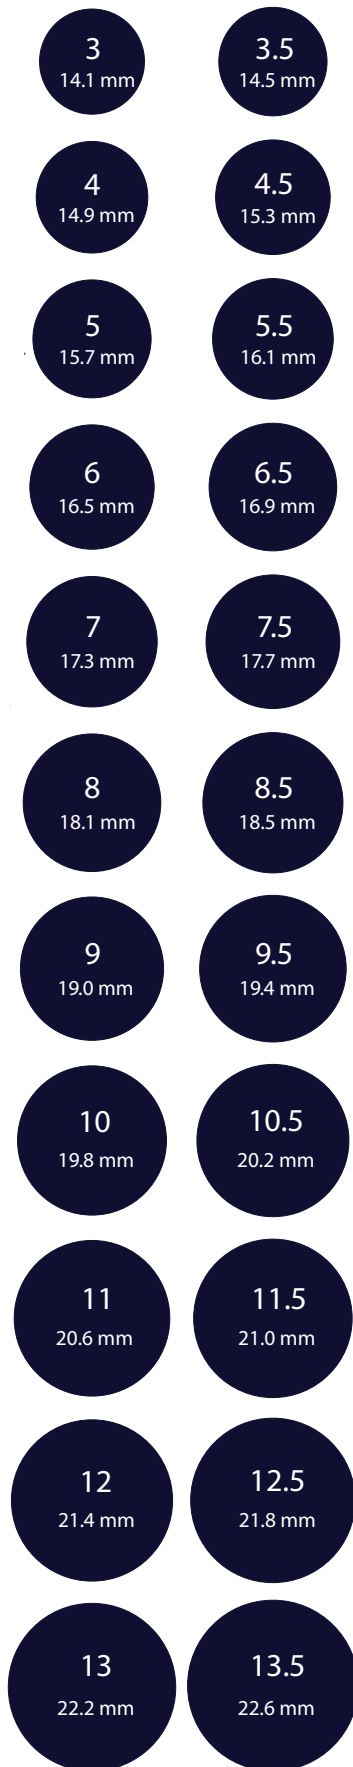

Find a ring your loved one is currently wearing.

## More Ring sizing tips:

The loop should fit your finger snugly (tight enough not to fall off, but loose enough to slide over your finger joint).

Measure your ring size at the end of the day when your fingers are warm.

Measure 3 to 4 times for more accuracy.

If the height of a credit card (54mm) fits inside this outline, your print scale is correct
